## Notices

### Plans for National Apprenticeship Week 2019

The 12<sup>th</sup> annual [National Apprenticeship Week](#) 2019 will run from 4 to 8 March 2019. The week is a chance to highlight the fantastic opportunities that an apprenticeship brings to employers, individuals and the economy.

To assist the Health Careers/Talent for Care team, who will receive questions from many sources, to direct people to the right areas, please do email [talentforcare@hee.nhs.uk](mailto:talentforcare@hee.nhs.uk) about any local activity planned during that week.

### Step into the NHS stakeholder toolkit

Please find attached the Step into the NHS stakeholder toolkit developed by colleagues from Health Careers.

### PA leadership programme

The FPA have launched a [PA leadership programme](#). Applications are sought by 31

January 2019 from PAs who are FPA members and are at least one year post-registration. The programme commences on 23 April 2019

### North London support worker learning needs survey

A [fact finding survey](#) in North London is seeking the views of Support workers on learning, training and education. This information will be used to assess where resources would be most beneficial for the support worker workforce. The closing date for completion is 6<sup>th</sup> February 2019. Could you please disseminate the survey to your administrative and clinical Support Workers across primary care and NCEL education Leads?

### Integrated Care Systems leaflet

A [leaflet](#) has been designed by NHS England to explain to service users and staff why we need to develop a more integrated approach to care, and what this means. Please feel free to share this link through your networks
